HOMO. POLLED				

- No other sire comes close to matching CUDA's combination of Calving Ease, Growth, Maternal and Carcase Merit
- Offers an elite EBV profile ranking in the top 10% of the breed for 10 different traits and all three indexes
- Take a look at his son's from Hoffman Ranch of Nebraska that sold in 2019 annual spring sale (pictured)
- This powerful, stout, rugged, short-marked, homozygous polled sire is emerging as a true breed leader
- Whether you are producing weaners, finished stock or replacement females, this sire provides it all
- Bulls like this one will dramatically improve any herd, CUDA will continue to see heavy use
